KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF TARRANT

THAT, WHEREAS, under date of April 8, 2005, a certain Oil, Gas & Mineral Lease (hereinafter referred to as the "Lease") was executed by West. Comm. Investments LP, a Texas limited partnership, (hereinafter referred to as "Lessor") unto Keystone Exploration, Ltd., a Texas limited partnership, said Lease being recorded under Document Number D206053799 of the Official Public Records of Tarrant County, Texas, and covering the following described lands situated in Tarrant County, Texas, to-wit:

66.907 acres of land, more or less, out of the J. A. Gill Survey, A-568, and being more particularly described by metes and bounds in said the above described Lease recorded under Document Number D206053799 of the Official Public Records of Tarrant County, Texas;

which said Lease is now owned by Chesapeake Exploration, L.L.C., an Oklahoma limited liability company, or its successors or assigns, whose mailing address is 6100 N. Western Avenue, Oklahoma City, OK 73118 (hereinafter referred to as "Lessee"),

AND WHEREAS, the undersigned are the owners of an interest in said lands, or in the minerals therein and there under, which interest is affected by said Lease.

AND WHEREAS, the Pugh Clause in the Lease in Paragraph C of Exhibit "B" thereto (the "Pugh Clause"), did not correctly state the intention of the parties thereto, the undersigned wish to correct the Pugh Clause;

1. The Pugh Clause is hereby deleted in its entirety, and the following Pugh Clause is substituted therefore and added in lieu thereof:

"If the Lessee exercises its right to pool, then operations (as defined above) on the pooled unit shall be effective to maintain this lease in force and effect only as to that part of the said land contained in the pooled unit, and this lease may be held in force as to that part of the said land which has not been pooled only by operations conducted on that part of the said land which has not been pooled. Notwithstanding anything to the contrary contained herein, the size of a pooled unit formed under the terms of this lease shall not exceed 550 acres or other total acreage to be determined and as permitted or prescribed by the State of Texas Railroad Commission or other governmental authority for any well drilled on such pooled unit."

2. We do hereby amend the said Lease with respect to the hereinabove changes and adopt and ratify the original conveyance as so changed.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, heretofore received and paid by Chesapeake Exploration, L.L.C. to us, the receipt of which is hereby acknowledged, and for the purpose of making said Lease definite and certain in respect to the Pugh Clause intended to be included therein, we do hereby acknowledge that it was the intention of the Lessor in the aforesaid Lease to so limit the size of any pooled unit formed under said lease; and we do hereby amend said Lease in respect to the Pugh Clause included therein, and ratify and adopt the same as so amended.

The provisions hereof shall extend to and be binding upon the heirs, successors, legal representatives and assigns of the parties who execute this Amendment.

This Amendment is hereby accepted by Lessee upon Lessee's duly recording the Amendment in the Official Records of Tarrant County, Texas.

IN WITNESS WHEREOF, this instrument is executed this 22 day of February, 2008.
